Dotmar's **Dual-Finish HDPE sheet (Checker plate)** is a practical, long-lasting material designed for projects that demand strength, hygiene and versatility in fabrication.

With a textured surface on one side and a smooth, easy-clean surface on the other, this sheet gives customers the best of both finishes in a single product — reducing wear visibility and improving handling while still offering a clean presentation face.

UNC01003020-09-CG	FOAMLITE CUBIC GRAIN SH SIGNAL GREY 10MM 3000 2000	$500.60

Foamlite, is an advanced polymer sheet engineered to replace traditional materials like plywood, MDF, and craftwood. Unlike timber-based products, Foamlite is **completely water-resistant, will not rot, swell, or delaminate,** making it an ideal solution for both indoor and outdoor applications.

POLYSTONE CUBX

Product Code	Description	Sale Price
P3SCX05702015-01-4	POLYSTONE PG100 CubX SH BLACK 57MM 2000 1500	$1,353.53

Polystone CubX is an innovative plastic construction sheet designed for rectangular tank fabrication. Its unique internal cube structure provides exceptional strength and rigidity at around **half the weight of solid plastic sheet, while reducing the need for steel reinforcement**. This makes tank construction faster, lighter and more cost-effective.
